

# In Memoriam

To all our loyal supporters of the South Plainfield Golf Association. This year's outing marks our silver anniversary of supporting our Golf Team and the youth of our town. We have had 25 years of trips to Myrtle Beach, great outings and turned out some very talented golfers. Let's all remember that our mission is the "Golf Team," This Association has awarded thousands of dollars in scholarships, golf lessons, green fees, custom golf bags for the players and anything our coach needs to make our team and it's players successful men and women later in life.

This year it's also a time to reflect on one of our founding members MIKE ALVAREZ who passed this year. Mike was a friend to all and the backbone of this association. We all know Mike as a little high strung at times, especially if you were on a golf trip, but that was Mike full of passion for the game and all who attended. Most of us really knew him as a friend who would help anyone with anything. Mike always found the time to devote not only to this organization but many others he was involved with. Mike was loved by many and no one person could ever replace him. This is why we ask all who have enjoyed all our events and supported our kids to step up and help keep Mike's legacy alive.
