What Is Day/Night Golf?

Nine holes in daylight and nine holes in moonlight with dinner and raffles in between is the best way to describe the format for the Rutgers-Newark Athletics Golf Outing. Players will enjoy 18 holes of golf instead of the traditional nine offered in the “night golf” format while being allowed to use golf carts for the entire day.

Shotgun starts will begin the afternoon and evening nine-hole sessions.

Playing Format:

- Players will be grouped in foursomes. Those signing up as individuals, twosomes or threesomes will be randomly placed in foursomes.
- Players will play 18 holes in scramble format (i.e.: all four members of the foursome play from the spot of the best shot from the previous stroke). Each foursome will submit one group score card at the end of the round.

Mini Golf with a Chipping Contest:

Not interested in the standard 18 holes of golf? No problem! Participants will play 18 holes of mini golf with a chipping contest in the middle during the afternoon. After breaking for dinner, the mini golfers can go back out for 18 more holes of golf and another shot at the chipping contest in the dark!

Reception and Awards:

Following golf, a short, informal reception will be held. Awards will include trophies for the members of the championship foursome and the runners-up.

Annual Golf Outing Day/Night Golf Mini Golf

Heron Glen Golf Club
Ringoos, New Jersey

Saturday, September 17, 2016

Dear Friends,

Our 2014 day/night golf outing was a hit – socially and financially – for Rutgers-Newark Athletics. The fundraising event has become a part of the fabric of our annual calendar, and we certainly hope that you can join us this September at Heron Glen Golf Course.

Building and maintaining a competitive athletic program at Rutgers-Newark have been the result of the dedication of outstanding student-athletes, coaches and administrators. We've made many strides in recent years, but we need your help to continue to develop a Scarlet Raider program which equals the lofty academic reputation of Rutgers-Newark.

The proceeds from this outing will be used to fund many of our department's growing needs, including team travel expenses. The opportunity to travel and compete against quality opponents outside our region is not only good for our teams, but it also is a quality of life experience which we would like to enhance for our student-athletes.

The annual golf outing provides an excellent opportunity for everyone associated with the athletic program to meet and talk about the past, present and future. It gives supporters an opportunity to meet the Scarlet Raider staff and network.

Don't be a stranger. Join us at the golf outing and become a part of the Scarlet Raider Family.

I look forward to seeing you at Heron Glen!

Mark Griffin
Director of Athletics
